

SmartMoney.com's Mutual Fund Map 1000

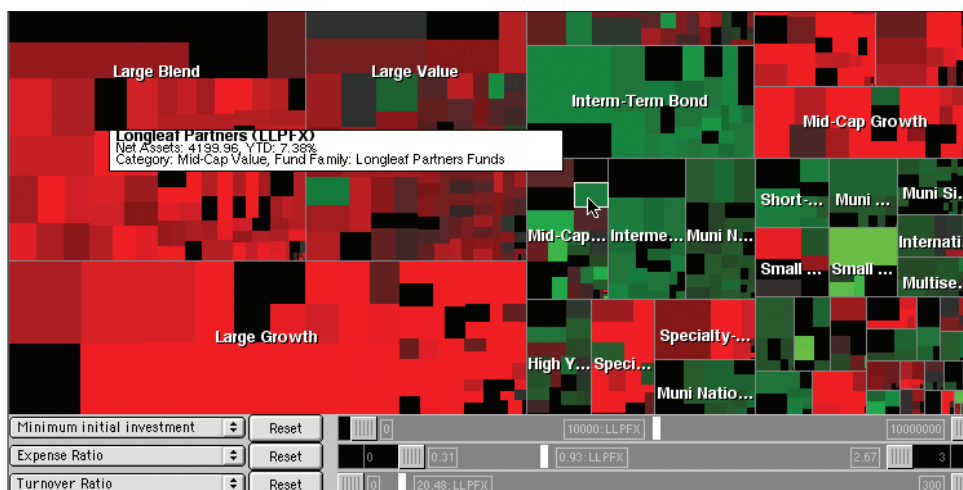

Manage up to 1000 mutual funds at a glance with our new Mutual Fund Map. This includes interactive sliding bars that act as a screening tool to search for funds based on specific criteria.

KEY FEATURES AND BENEFITS

- Receive real-time quotes and spot money flows among industry sectors
- Use the sliding screener to filter through 1,000 mutual funds using various criteria
- Make faster, better decisions and improve productivity
- Link to charts, financial data and news
- Reduce time needed to analyze large amounts of data

Slide the bar along the bottom of the map to screen for funds by criteria, such as: Expense and Turnover Ratios, R-Squared, Alpha, Beta and much more.

We can customize and host the Mutual Fund Map 1000 with seamless integration into your Web site. This map offers real-time data visualization with screening functionality of 1,000 mutual funds. This Map is available in two options – a version powered by real-time market data or delayed data.
